

# Support the Huron Valley History Initiative

**VOTE** to help win a grant to digitize the Milford Times from 1871 to 1920.

**WHY?** We are one of five finalists to win a grant at Central Michigan University, but to win the grant, the community needs to show support by voting.

**THEN WHAT?** If we win, we develop a website to host the newspapers, photos and historical ephemera of Commerce, Highland, Milford and White Lake. We add search software and give it to you – our neighbors, to enjoy the history of our homes and families. If we do NOT win, we will still do this, but it will take more money and more time.

## HOW DO I VOTE?

1) Use **Twitter** to **TWEET** using our hashtag **#DigMilford** between 8AM on January 19 through 5 PM January 25.

2) **Send a Michigan themed postcard** to:
